

MAKE AN animal mask

Have you ever looked closely at the face of a pig, cow, sheep or chicken? Can you imagine what they look like? Can you remember the colour and shape of their faces? Design and make a lifelike animal mask.

STEP 1

Choose a farm animal and draw their face on a piece of card. If you like, you could carefully cut out and use one of the mask shapes on the opposite page.

STEP 2

Find out as much as you can about the animal (use books or the internet). Create a fact sheet with five facts about your animal.

STEP 3

Use your picture to make your animal mask. paints, crayons or pencils.

STEP 4

Once you've finished, make up a play about 'a day in the life' of the farm animal you've made a mask of.

★ Extra challenge!

Ask your friends to make farm animal masks and join in with your play. You could act out your play just for fun, or in front of friends and family! You could even ask an adult to upload a picture of you in your mask to the RSPCA Facebook page!
