

WATERY WORDSEARCH

There are 20 water-loving creatures hiding in the grid, but can you find them all? Don't forget that words may go up, down, backwards or diagonally.

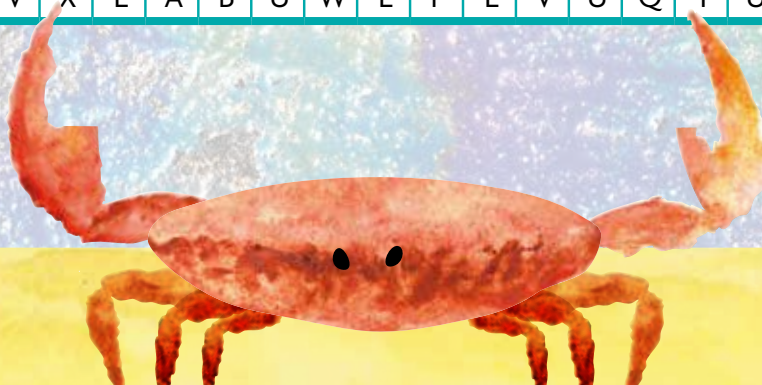

Go on, see if you can find all 20!

- | | | | |
|------------------------------------|----------------------------------|-----------------------------------|----------------------------------|
| <input type="checkbox"/> Beaver | <input type="checkbox"/> Fish | <input type="checkbox"/> Otter | <input type="checkbox"/> Swan |
| <input type="checkbox"/> Crab | <input type="checkbox"/> Frog | <input type="checkbox"/> Porpoise | <input type="checkbox"/> Tadpole |
| <input type="checkbox"/> Dolphin | <input type="checkbox"/> Heron | <input type="checkbox"/> Seahorse | <input type="checkbox"/> Toad |
| <input type="checkbox"/> Dragonfly | <input type="checkbox"/> Newt | <input type="checkbox"/> Shark | <input type="checkbox"/> Turtle |
| <input type="checkbox"/> Duck | <input type="checkbox"/> Octopus | <input type="checkbox"/> Squid | <input type="checkbox"/> Whale |

★ Extra challenge!

Once you've found all the creatures in the wordsearch, pick your favourite and discover five interesting facts out about them using the internet or books.
