Criteria for Competition Entries

- Demonstrate a clear understanding of the 'Five Domains' and how they are/ could be met
- The work entered in the competition should answer the question/task or challenge posed in one of the Advocacy Activities
- Credit will be given for creativity and the best communication of the Five Domains and how these are met
- The RSPCA strongly discourages the keeping of animals in schools. Please do not feature live animals kept in the school environment in your entry
For more information please read our Animals in Education Policy
