

AWERB-UK

The RSPCA, [LASA](#), [LAVA](#) and the [IAT](#) hold occasional AWERB-UK meetings to provide training for AWERB chairs, lay members and scientists, lab animal vets and animal technologists who are involved with AWERBs.

The presentations and workshop summaries below set out how different AWERBs have implemented their tasks, how they have achieved positive benefits and how they have resolved some difficult issues.

[Maintaining an effective AWERB in the age of COVID-19](#) (2021)

[Animal Welfare and Ethical Review Bodies - moving forward](#) (2019)

[Putting Ethics into the AWERB](#) (2017)

[Delivering an effective AWERB - Challenges and solutions](#) (2016)
