

Information sheets for AWERB members

These sheets set out information on topics of interest to the AWERB, with reference to AWERB tasks. They are intended for all types of AWERB member and can be used as sources of information, training materials or discussion topics to add to the agenda.

- [Cage cleaning: mice and rats](#)
- [Culture of Care](#)
- [Humane killing](#)
- [Visiting the animal unit](#)
- [Being an effective lay member of an AWERB](#)

Please check this page regularly for new additions - feedback and suggestions for new topics welcome at animalsinscience@rspca.org.uk
